

VOICES OF HOPE

INTERVIEW QUESTIONS

Questions Regarding Their Stories

1. What is your story? How has pancreatic cancer affected your life?
2. How was the cancer initially detected?
3. Do you have a family history of pancreatic cancer?
4. Tell me about your support network.
5. How did you hear of the Pancreatic Cancer Action Network? How did you get involved?
6. Can you describe how you feel about pancreatic cancer in one word?

After Learning about Their Story

1. What was the first thought you had after your diagnosis?
2. Who has been the most important person in your life? Can you tell me about him or her?
3. What are the most important lessons you've learned in life?
4. Do you believe everything happens for a reason?

Connect It to Your Efforts Now

1. Would you have any advice to offer me about my life?
2. Do you think kids are important in fighting this disease? If so, why?
3. Why is it important to share stories?
4. How has hope played a role in your life?
5. Do you have any advice for the people listening to this interview?
6. What do you think the future of pancreatic cancer looks like?
7. Even though you're just one person, why do you think that you can make a difference?
8. If you had a million dollars to donate to fight pancreatic cancer, where would you want it allocated (research, patient support, building national awareness, etc.)?

Family & Friends

1. How did your diagnosis generally affect your family?
2. How have your friends supported you throughout your battle?
