

HOST AN EVENT

To Benefit PurpleStride - The Walk to End Pancreatic Cancer

Some of our most successful teams have reached big fundraising goals by hosting a wraparound event in addition to asking friends and family for donations.

A wraparound event is a “do-it-yourself” fundraising effort that supports PurpleStride. The funds you raise can be applied to your individual fundraising page, team fundraising page, or the overall event.

WHY HOST A WRAPAROUND EVENT?

- Help your team reach its goal
- Engage your friends and family in a fun way year-round
- Provide an opportunity for people to get involved who cannot attend PurpleStride
