The charitable deduction of sponsorship fees will be limited by the fair value ascribed to the complimentary registrations received.

*The Pancreatic Cancer Action Network determines at its sole discretion what qualifies as budget-relieving in-kind donations. Budget-relieving donations include: printing, qualifying food, water, tent/table/chair rentals, timing chips and security. If budget-relieving in-kind donors desire additional sponsorship level benefits, the Pancreatic Cancer Action Network will provide a cash credit towards that sponsorship level at 100% of the fair market value of the goods donated. For purposes of the cash credit, fair market value will be established at the lowest purchase price available to the organization. Additional cash funding will be required to meet the sponsorship level of the desired benefits. The value of donated in-kind goods that are not budget-relieving may not be used to reduce the cash cost of sponsorship levels. The Pancreatic Cancer Action Network will provide an acknowledgment letter that describes, but does not value, the in-kind donation. As each donor's tax situation is different, we recommend that you consult with your tax advisor to determine your tax relief.

LOGO SUBMISSION GUIDELINES FOR SPONSORS

Logos will be included on print material as well as on the event website according to signed sponsor agreements and logo submission due dates. Please see your signed sponsor agreement for details.

Please be sure to follow these guidelines when submitting your logo:

- Submit your logo as a vector-based file, either “.eps” or “.ai.”
- Convert all text to outlines.
- Images should not include gradients. T-shirts are printed in one color with no gradients.
- Submit both full-color and 1-color versions of your logo whenever possible.
- We cannot use a PDF unless created from a vector program (please check with your designer).
- We cannot use images embedded in Word documents, or images pulled off the internet.

If your company does not have an .eps or .ai version of your logo, we reserve the right to substitute a text version of your name in place of your company logo (as necessary).

If you do not have a vector-based file, please talk with your graphic designer. Please do not try to create a vector-based file by pasting a JPG into an .eps or .ai document. You cannot create a vector-based file from a JPG.

WHAT IS VECTOR-BASED?

A vector-based file allows us to scale the size of the logo for banners and brochures without any loss of quality. JPGs become pixelated and blurry when enlarged. Our T-shirts are printed with white ink on a purple background; there are no gradients. A vector-based file allows us to convert the logo to a one-color version, if necessary, but retain the integrity of the design.

IN THE EVENT THAT WE CANNOT OBTAIN A LOGO IN A USABLE FORMAT, WE MAY SUBSTITUTE A TEXT LISTING OF THE COMPANY NAME.

PRINT DEADLINES:

- Print Promotion: August 27, 2012
- T-shirts: August 27, 2012
- Event-day Banners: September 3, 2012
