

Grateful For Your Support

PANCREATIC
CANCER
ACTION
NETWORK

“You spoke in a way that I could understand. I feel much less confused and overwhelmed after talking with you...I am grateful to have you as a source of support.” – **Daniel T., Survivor**

Daniel got compassionate support from PanCAN Patient Services when he desperately needed it.

And now, we're grateful to be able to be there for you, too. But we can only keep providing personal, one-on-one support and free services to pancreatic cancer patients and families through gifts from generous donors. Please consider making a donation to PanCAN today. You can use the envelope provided or donate securely online at pancan.org/donate. You can also donate by scanning the QR code with your mobile phone.

Your generosity means the world to pancreatic cancer patients and their families.

Thank you for giving, which allows us to continue helping them!

WAYS TO GIVE HOPE TO PATIENTS

PanCAN creates a better future for pancreatic cancer patients. Join us in supporting patients and families through:

CREATE A TRIBUTE PAGE

Honor a loved one by creating a personalized tribute page in their name. Ask friends and family to honor them through a donation to PanCAN. Visit wagehopemyway.org to start setting up your page.

MONTHLY GIVING

Circle of Hope members give every month with an easy, automated donation. You can give any amount and you can change your gift amount at any time. Joining the Circle of Hope is the most efficient and effective way to provide support to patients and fund critical research all year-round. Join now by checking the box on the enclosed envelope or go online: pancan.org/circle-of-hope.

DONOR ADVISED FUND

A Donor Advised Fund (DAF) is a simple, flexible and tax-advantaged way you can make charitable donations. Your DAF can advance groundbreaking research and provide support for patients diagnosed with pancreatic cancer. You can quickly and easily designate a grant from your DAF, either on our website at pancan.org/DAF or through your trustee's website (such as Fidelity or Schwab Charitable).

GIFTS OF STOCK, BONDS & IRAS

Stock and Bonds: Many PanCAN supporters donate appreciated stocks to support those living with pancreatic cancer, while saving on two types of taxes — learn how here: freewill.com/stocks/pancan. **IRA:** If you're age 70.5 or older, use the free tool at freewill.com/qcd/pancan, to learn more about how a tax-free gift from your IRA can support pancreatic cancer research and advocacy.

DOUBLE YOUR IMPACT WITH A MATCHING GIFT

Many companies offer to match the gifts of employees who make donations to charities. That means you can double your donation and make a bigger impact. Simply obtain a matching gift form from your employer's Human Resources or Corporate Relations department, send the completed form along with your gift to PanCAN, and we'll take care of the rest!
