

# IN HONOR OF YOUR LOVED ONE

When you share your memories, make a donation and ask your friends and family to do the same, your generous action has a direct impact on rewriting the future for pancreatic cancer. Because of you, we are able to provide essential resources and referrals to families urgently seeking help and hope. We are grateful for your thoughtful support.

## SHARE YOUR LOVED ONE'S STORY

You can create a customized page to share your story and photos so that it is meaningful to you and your loved ones. Also note that our tribute pages are evergreen so you may update them over time and create your own link to share with family and friends.

## SUPPORT RESOURCES FOR YOU

You are not alone. We have support services that can help you during this time. If you'd like to learn more or speak with someone who has been through a similar experience, please contact Patient Services at 877.272.6226 or [patientservices@pancan.org](mailto:patientservices@pancan.org).

## MEMORIAL CARE PACKAGES

For a memorial service for your loved one, we offer special, complimentary care packages including purple awareness pins, a framed 'In Loving Memory' message, donation envelopes and more. Please let us know if you'd like us to send one to you.
