WELCOME GUIDE

INTRODUCTION

Thank you for choosing to raise awareness and funds for the Pancreatic Cancer Action Network (PanCAN).

Our mission is to take bold action to improve the lives of everyone impacted by pancreatic cancer by advancing scientific research, building community, sharing knowledge and advocating for patients.

There are endless ways to get involved. Host a fundraising event, start a fundraising campaign with email or social media, or take on a personal challenge of your choice!

Please use this as a guide to help get started. The Wage Hope My Way team is available to support your efforts, so please reach out to myway@pancan.org with any questions.

YOUR SUPPORT MEANS SO MUCH!

- Pancreatic cancer has a **5-year survival rate of just 13%**.
- In 2024, an estimated **66,440 Americans** will be **diagnosed** with pancreatic cancer and **51,750** will **die from the disease**.
- **PanCAN has invested** approximately **\$208M in research since 2003**, with another **\$34M** being invested this year.
- **\$100** can put **personalized educational packets** into the hands of **5 newly diagnosed patients**
- **\$500** can connect **25 newly diagnosed patients** to a **PanCAN Patient Services Case Manager** for an initial conversation that can lead to **life-changing support**.
- **\$1,000** can give **50 newly diagnosed patients** access to **free, ongoing personalized support** through **PanCAN Patient Services**.

“After working on this disease for over 15 years, I can say that I have never been more optimistic about the progress that is being made and the potential of new therapies that are making their way into the clinic. The sheer number of different, promising, new approaches to treating this disease is incredibly exciting.”

Ken Olive, PhD, has received two PanCAN research grants. He's excited about the progress that's happening right now.
